

1
00:00:00,150 --> 00:00:07,860
From the Alex Trebek stage at Sony Picture Studios, this is Inside Jeopardy.

2
00:00:08,100 --> 00:00:11,550
Hello and welcome back to Inside Jeopardy, your exclusive and official

3
00:00:11,550 --> 00:00:14,850
podcast destination for all things happening in the world of Jeopardy.

4
00:00:14,855 --> 00:00:18,120
I'm Sarah Foss and I'm joined once again today by Buzzy Cohen.

5
00:00:18,125 --> 00:00:18,750
Welcome, Buzzy.

6
00:00:18,930 --> 00:00:19,290
Thanks.

7
00:00:19,290 --> 00:00:20,460
Happy Thanksgiving.

8
00:00:20,490 --> 00:00:21,600
Oh my goodness.

9
00:00:21,630 --> 00:00:24,760
I don't know if you're feeling like I am, but I really, I indulged

10
00:00:24,760 --> 00:00:26,820
in all the parts of the meal and.

11
00:00:27,675 --> 00:00:29,235
I, I think I need a Turkey trot.

12

00:00:29,355 --> 00:00:29,625
Yeah.

13
00:00:29,775 --> 00:00:32,085
Did you cook any parts of the meal or?

14
00:00:32,205 --> 00:00:34,515
I kind of have my
signature things that I do.

15
00:00:34,515 --> 00:00:36,225
I'm a stuffing and gravy.

16
00:00:36,405 --> 00:00:36,825
Okay.

17
00:00:36,825 --> 00:00:39,345
Those are my areas of expertise.

18
00:00:39,405 --> 00:00:40,095
Uh, how about you?

19
00:00:40,425 --> 00:00:41,475
I do the Turkey.

20
00:00:41,775 --> 00:00:42,015
Wow.

21
00:00:42,045 --> 00:00:42,375
Yeah.

22
00:00:42,375 --> 00:00:42,585
That's big.

23
00:00:42,585 --> 00:00:46,485
Um, and I had a little help because
we were, uh, visiting our family, so

24

00:00:46,875 --> 00:00:48,495
there's some grinding that has to happen.

25
00:00:48,495 --> 00:00:50,385
I was just gonna ask,
are you a Brier or not?

26
00:00:50,385 --> 00:00:52,305
We're big time briers in the F0 family.

27
00:00:52,695 --> 00:00:52,935
. Yeah.

28
00:00:52,935 --> 00:00:54,675
I use the Alton Brown.

29
00:00:55,019 --> 00:00:59,190
Brian recipe, and then I do
an oil-less Turkey fryer,

30
00:00:59,400 --> 00:01:01,560
which is just very futuristic.

31
00:01:01,680 --> 00:01:02,160
Wow.

32
00:01:02,160 --> 00:01:04,080
Oil-Less Turkey fryer, huh?

33
00:01:04,080 --> 00:01:06,660
We'll talk about it on the
Inside Buzz's Kitchen Podcast.

34
00:01:06,660 --> 00:01:09,990
Here I am, just with a regular
old oven, but yeah, boring.

35
00:01:09,990 --> 00:01:12,900
Such a great holiday

Thanksgiving . I just love it.

36

00:01:12,960 --> 00:01:14,880

You know, you don't get caught up with the presence or anything.

37

00:01:14,880 --> 00:01:17,840

It's really just being together and eating with a family, eating, and.

38

00:01:18,560 --> 00:01:21,480

A lot and getting to watch some great jeopardy.

39

00:01:21,540 --> 00:01:22,080

Yes.

40

00:01:22,710 --> 00:01:22,800

Yeah.

41

00:01:22,800 --> 00:01:28,260

I mean, talk about a healthy helping of amazing, amazing shows.

42

00:01:28,380 --> 00:01:29,130

Let's talk about it.

43

00:01:29,340 --> 00:01:32,850

Well, we started off the week, I can't believe it's been a week now.

44

00:01:32,910 --> 00:01:33,000

Yeah.

45

00:01:33,000 --> 00:01:36,780

Since we crowned our Tournament of Champions winner, Amy Schneider,

46

00:01:37,170 --> 00:01:38,730

the response to her win.

47

00:01:39,025 --> 00:01:42,475

The support for her and her run
and what she's doing in the world.

48

00:01:42,475 --> 00:01:46,025

It's just incredible and such a great toc.

49

00:01:46,025 --> 00:01:48,895

It could have gone to seven,
but it ends up going to six.

50

00:01:48,900 --> 00:01:53,185

It just, I cannot believe not
only the toc, the second chance

51

00:01:53,185 --> 00:01:54,295

we had leading into that.

52

00:01:54,295 --> 00:01:54,355

Yeah.

53

00:01:54,355 --> 00:01:55,255

Season 39.

54

00:01:55,255 --> 00:01:56,275

Not disappointing.

55

00:01:56,275 --> 00:01:56,755

So far.

56

00:01:56,815 --> 00:01:57,895

Not disappointing.

57

00:01:57,900 --> 00:01:58,545

And then, you know.

58

00:01:58,770 --> 00:02:03,090
Even after that, we go back to
regular old Jeopardy where we

59
00:02:03,090 --> 00:02:05,369
have an incredible champion.

60
00:02:05,369 --> 00:02:06,060
Let's get into it.

61
00:02:11,070 --> 00:02:15,450
We could not discuss this last
and final game of the finals with.

62
00:02:15,650 --> 00:02:16,310
Out him.

63
00:02:16,310 --> 00:02:19,430
Joining us now, the enabler,
senior researcher and gameplay

64
00:02:19,430 --> 00:02:20,930
analyst, Michael Harris.

65
00:02:21,290 --> 00:02:22,550
Welcome back, Michael.

66
00:02:22,550 --> 00:02:25,730
Here we are, game six of the TOC finals.

67
00:02:25,760 --> 00:02:26,360
Thank you Sarah.

68
00:02:26,360 --> 00:02:27,080
Glad to be back.

69
00:02:27,080 --> 00:02:27,650
Hi, buzzy.

70

00:02:27,650 --> 00:02:31,340

This game we'd like to call similar story but different ending.

71

00:02:31,430 --> 00:02:36,050

The Jeopardy round showed a competitive battle between Amy and Andrew with Amy

72

00:02:36,050 --> 00:02:40,880

outpacing him and ending the round with the lead in the double jeopardy round.

73

00:02:40,880 --> 00:02:46,310

Sam found both daily doubles, responded correctly to take a lead over Amy,

74

00:02:46,670 --> 00:02:48,530

but Amy and Andrew did not let up.

75

00:02:48,530 --> 00:02:51,620

And at the end of the double jeopardy round, Amy held

76

00:02:51,620 --> 00:02:53,240

the lead with Andrew Close.

77

00:02:54,165 --> 00:02:57,255

It came again down to final Sam Bet.

78

00:02:57,255 --> 00:02:59,415

Everything but unfortunately was incorrect.

79

00:02:59,805 --> 00:03:04,575

Andrew got final correct, but Wagered very little, and it all came down to Amy.

80

00:03:04,605 --> 00:03:07,845

She got final correct

with a \$13,000 wager.

81

00:03:08,175 --> 00:03:11,235

Took the win and became our TOC winner.

82

00:03:11,445 --> 00:03:12,285

Great game.

83

00:03:12,500 --> 00:03:14,690

Great battles, fantastic tournament.

84

00:03:14,750 --> 00:03:16,250

Congratulations, Amy.

85

00:03:16,250 --> 00:03:18,049

I mean, an incredible person.

86

00:03:18,049 --> 00:03:19,400

An incredible Jeopardy player.

87

00:03:19,400 --> 00:03:21,350

An incredible champion, well deserved.

88

00:03:21,350 --> 00:03:25,490

And I think we all talked about this was the situation where strategically she

89

00:03:25,490 --> 00:03:29,990

could have said, okay, it's more important for Andrew not to win than for me to win.

90

00:03:30,019 --> 00:03:32,180

But she had just done that.

91

00:03:32,430 --> 00:03:32,630

Yes.

92

00:03:32,630 --> 00:03:34,549

And I think it was eating at her.

93

00:03:34,730 --> 00:03:34,910

Yes.

94

00:03:34,970 --> 00:03:35,209

You know?

95

00:03:35,209 --> 00:03:36,709

Cause eventually you gotta take a shot.

96

00:03:36,740 --> 00:03:36,920

Yes.

97

00:03:36,920 --> 00:03:39,260

And I think she could have won
it in five and now she was.

98

00:03:40,005 --> 00:03:41,565

Forget it, I'm gonna win it in six.

99

00:03:41,565 --> 00:03:46,875

And she has a very good final jeopardy
percentage in all of her games.

100

00:03:47,025 --> 00:03:50,925

She has a 66% get rate on
final, which is, that's huge.

101

00:03:50,925 --> 00:03:52,335

Really good, really good.

102

00:03:52,425 --> 00:03:56,145

Uh, especially given the number of games
she's played and considering the pressure

103

00:03:56,145 --> 00:03:59,925

that was on her as a 40 game champion,
obviously I think she had the biggest

104

00:04:00,225 --> 00:04:04,875
target on her back coming into this TOC
to think that she ends up winning it.

105

00:04:05,200 --> 00:04:05,470
Wow.

106

00:04:05,530 --> 00:04:06,250
Yeah, it was great.

107

00:04:06,250 --> 00:04:10,240
I mean, having that buy that
puts an additional pressure.

108

00:04:10,240 --> 00:04:14,740
And like you said, Sarah, everyone was
like, she's the one we're going for.

109

00:04:14,830 --> 00:04:17,710
Andrew was going for, Sam
was going for both of them.

110

00:04:18,040 --> 00:04:23,350
And Buzzy, like you said, it comes a point
where you're like, I gotta put all of my.

111

00:04:23,745 --> 00:04:24,015
Yeah.

112

00:04:24,045 --> 00:04:29,115
Ships on the table totally go big or
go home and, um, it paid off this time.

113

00:04:29,205 --> 00:04:29,325
Yeah.

114

00:04:29,325 --> 00:04:33,705
Kent even noted that she decided

to wager more than she had in

115

00:04:33,705 --> 00:04:35,715
the previous final without fail.

116

00:04:35,715 --> 00:04:41,534
After she was announced as the TOC
winner, Sam Kavanaugh took the stage.

117

00:04:41,925 --> 00:04:47,415
Presented her with the belt that he had,
you know, waiting in the wings for her.

118

00:04:47,415 --> 00:04:49,845
So it was just such a great moment.

119

00:04:49,845 --> 00:04:51,405
Yeah, such an incredible tournament.

120

00:04:51,705 --> 00:04:55,095
I had the chance to catch up
with Amy just moments after she

121

00:04:55,095 --> 00:04:56,535
was announced as our champion.

122

00:04:56,745 --> 00:04:57,525
Let's take a listen.

123

00:04:57,735 --> 00:05:01,305
Amy Schneider, our Tournament
of Champions winner.

124

00:05:01,335 --> 00:05:02,745
How are you feeling right now?

125

00:05:02,985 --> 00:05:04,365
I feel amazing.

126

00:05:04,515 --> 00:05:09,165

You know, earlier in the finals, like as the, as the show was opening, I just had

127

00:05:09,165 --> 00:05:10,605

this sudden moment of seeing myself and.

128

00:05:11,385 --> 00:05:14,685

I'm on stage in the, the Tournament of Champions Finals, and that was

129

00:05:14,685 --> 00:05:20,054

crazy and I won, like, it's just like it's, it's a great feeling.

130

00:05:20,565 --> 00:05:24,585

It's hard to imagine that it was only one year ago in November that America

131

00:05:24,585 --> 00:05:26,895

was first introduced to Amy Schneider.

132

00:05:27,284 --> 00:05:28,695

What a year it has been.

133

00:05:29,145 --> 00:05:29,685

I would say.

134

00:05:29,685 --> 00:05:33,195

So it has definitely been the most eventful year I've ever had.

135

00:05:33,344 --> 00:05:34,484

And what next?

136

00:05:34,844 --> 00:05:37,815

You know, go home, celebrate, stop thinking about trivia for

137

00:05:37,815 --> 00:05:39,255
a little bit, and then Yeah.

138

00:05:39,315 --> 00:05:42,885
Uh, get back to, you know,
writing a book and doing whatever

139

00:05:42,890 --> 00:05:44,354
I feel like doing for a while.

140

00:05:44,474 --> 00:05:47,215
Yeah, I mean, you have to think that
from the minute you left the Alex D.

141

00:05:47,215 --> 00:05:50,025
Beck stage, the last time you knew
you were coming back, you knew

142

00:05:50,025 --> 00:05:51,315
you had a tournament on the line.

143

00:05:51,585 --> 00:05:53,625
So you did have to kind
of keep up that study.

144

00:05:54,300 --> 00:05:55,860
You think you'll be
able to relax a little?

145

00:05:55,860 --> 00:05:56,970
Who knows what's in store?

146

00:05:57,870 --> 00:05:58,620
a a little bit.

147

00:05:58,620 --> 00:06:01,050
I won't, I won't let it
go too long, but yeah.

148

00:06:01,110 --> 00:06:03,180

No, it was all, all year.

149

00:06:03,210 --> 00:06:05,400

Everyone I met kept telling
me, oh, you're gonna win it.

150

00:06:05,400 --> 00:06:06,150

You're gonna crush it.

151

00:06:06,150 --> 00:06:07,650

And I was like, this is not helpful to me.

152

00:06:08,160 --> 00:06:09,540

like to put that pressure on me.

153

00:06:09,540 --> 00:06:12,210

But, uh, I guess, I guess they
knew what they were talking about.

154

00:06:12,600 --> 00:06:13,260

One year later.

155

00:06:13,260 --> 00:06:15,240

When you were first
here, we had no audience.

156

00:06:15,270 --> 00:06:16,980

Not only did we have an audience for this.

157

00:06:17,745 --> 00:06:20,025

But your wife, Genevieve,
was in the audience.

158

00:06:20,025 --> 00:06:23,715

What was it like to know she was
getting to watch you live this time?

159

00:06:23,805 --> 00:06:25,185
It was really great.

160
00:06:25,185 --> 00:06:27,645
You know, I had my sort
of doubts about it.

161
00:06:27,645 --> 00:06:31,635
I was like, well, do I want any
different factors from my first run?

162
00:06:31,695 --> 00:06:35,775
Um, but ultimately decided to have
her here and it was a thousand

163
00:06:35,780 --> 00:06:36,975
percent the correct decision.

164
00:06:36,975 --> 00:06:39,795
Like knowing she was out there
was, was not a distraction at all.

165
00:06:39,795 --> 00:06:44,310
It felt really, You made such a positive
impression in your first appearance, and

166
00:06:44,310 --> 00:06:48,719
now you get to go into the trans community
as a Tournament of Champions winner.

167
00:06:48,780 --> 00:06:51,599
I can't imagine what else you can
do positive for your community,

168
00:06:51,599 --> 00:06:53,400
for the world, for recognition.

169
00:06:53,460 --> 00:06:53,760
Yeah.

170

00:06:53,760 --> 00:06:59,250

You know, just, uh, just keep going out there and, and being me and, and yeah.

171

00:06:59,280 --> 00:07:02,099

Being in places that, that people in my community haven't been

172

00:07:02,099 --> 00:07:05,460

before is, it's just really, it's, it's a very powerful thing to.

173

00:07:06,255 --> 00:07:10,905

If you had to pick one highlight or one favorite moment of this journey, this

174

00:07:10,905 --> 00:07:12,615

Jeopardy journey, what would you choose?

175

00:07:12,734 --> 00:07:16,365

You know, I mean I think that the obvious ones both, uh, were

176

00:07:16,365 --> 00:07:17,565

very disappointing for Andrew.

177

00:07:17,565 --> 00:07:21,044

He, at the beginning and the end, it, it actually really kind of was after

178

00:07:21,044 --> 00:07:25,544

I lost that, that game 41, like sort of later during that, because that

179

00:07:25,544 --> 00:07:30,550

was when I could sort of, Stop for a second and really feel what I had done.

180

00:07:30,610 --> 00:07:32,469

That was when it started
to actually feel real.

181

00:07:32,469 --> 00:07:35,560
Once I had lost until then, it was
just like, I just gotta come back

182

00:07:35,560 --> 00:07:39,010
and keep doing it again and, and
I was able to really, yeah, know

183

00:07:39,010 --> 00:07:40,030
what a great thing had happened.

184

00:07:40,719 --> 00:07:44,770
Well, once again, you took out and
or he, but I think America saw what.

185

00:07:45,300 --> 00:07:48,360
Strong competitors, both
you and he really are.

186

00:07:48,690 --> 00:07:52,320
Yeah, no, I was both wanting
to and afraid of facing him.

187

00:07:52,320 --> 00:07:57,240
Again, he was definitely somebody
that I knew was one of the top

188

00:07:57,240 --> 00:07:58,710
competitors in, in the field.

189

00:07:58,710 --> 00:08:00,690
He was somebody that I knew could beat me.

190

00:08:00,810 --> 00:08:04,020
Any of the three of us really could
have won if a very small number

191
00:08:04,020 --> 00:08:05,220
of things had gone differently.

192
00:08:05,220 --> 00:08:08,160
But I, I'm glad we each have gotten
like a real fair chance to really

193
00:08:08,160 --> 00:08:09,540
test our skills against each other.

194
00:08:09,540 --> 00:08:11,760
And I'd, I'd love to play
'em again someday, somehow.

195
00:08:12,405 --> 00:08:13,395
I love to see it.

196
00:08:13,604 --> 00:08:18,135
Congratulations on an incredible initial
run, an incredible tournament, and

197
00:08:18,135 --> 00:08:21,375
enjoy this moment as our Tournament
of Champions winner, Amy Schneider.

198
00:08:21,525 --> 00:08:22,065
Thank you.

199
00:08:22,335 --> 00:08:24,525
What a great interview
and it's worth noting.

200
00:08:24,645 --> 00:08:28,155
Very rarely does the top seed
win the tournament Champions.

201
00:08:28,155 --> 00:08:28,605
We have Amy.

202

00:08:29,030 --> 00:08:32,569

We have James, but you know,
Sam was not the top seed.

203

00:08:32,569 --> 00:08:33,799

I was not the top seed.

204

00:08:34,010 --> 00:08:34,579

Uh, Alex.

205

00:08:34,579 --> 00:08:36,079

Jacob was not the top seed.

206

00:08:36,140 --> 00:08:38,059

Ben Ingram was not the top seed.

207

00:08:38,120 --> 00:08:41,990

Historically, top seeds do not necessarily
win this, although, as Ken noted on

208

00:08:41,990 --> 00:08:46,579

Twitter, this is not a statistically
significant fact, as Amy has proven.

209

00:08:46,584 --> 00:08:50,660

But man, only know her a little bit
and every time, I'm just so impressed.

210

00:08:51,375 --> 00:08:54,375

And I'd say for Ken Jennings,
it was his first tournament

211

00:08:54,375 --> 00:08:55,604

of champions, obviously, yes.

212

00:08:55,604 --> 00:08:58,604

I can no longer give him a hard time
about can't him a hard never appearing.

213

00:08:58,755 --> 00:09:02,025
Cause now he has obviously as
a host instead of a contestant.

214

00:09:02,025 --> 00:09:06,255
But I think also did a great job of just
incredible job managing some difficult

215

00:09:06,255 --> 00:09:11,084
material, A lot of great contestants,
and I think all of us who tuned in.

216

00:09:11,594 --> 00:09:15,795
No one can say they were disappointed
by what our contestants all

217

00:09:15,795 --> 00:09:16,905
served up in this tournament.

218

00:09:17,314 --> 00:09:19,334
And congratulations
again to Amy Schneider.

219

00:09:19,334 --> 00:09:22,275
So now she bypasses Madam Modio.

220

00:09:22,515 --> 00:09:26,594
She's now the fourth in all
time winnings on the Leaderboard

221

00:09:26,599 --> 00:09:29,834
of Legends with 1,000,600.

222

00:09:29,920 --> 00:09:35,709
\$32,800 just behind Brad Rudder,
Ken Jennings and James Holt Sauer,

223

00:09:35,770 --> 00:09:38,360
what lies ahead for our champions?

224

00:09:38,365 --> 00:09:41,140

You know, Michael Davies
has something in mind.

225

00:09:41,145 --> 00:09:43,599

We've heard him talk
about a master's league.

226

00:09:44,020 --> 00:09:45,670

We'll have to wait and find out.

227

00:09:45,670 --> 00:09:50,290

But for now, that brings us to the end
of our Tournament of Champion's coverage.

228

00:09:50,380 --> 00:09:53,110

Michael Harris, thank you for
joining us through it all.

229

00:09:53,110 --> 00:09:55,599

I had such a great time going
through these games with you.

230

00:09:55,689 --> 00:09:56,599

Thank you very much.

231

00:09:56,599 --> 00:09:57,479

Yeah, this was.

232

00:09:57,705 --> 00:09:57,765

Yeah.

233

00:09:57,885 --> 00:09:58,215

Thanks Michael.

234

00:09:58,215 --> 00:09:59,055

Let's do it again next year.

235
00:09:59,055 --> 00:09:59,625
What do you say?

236
00:09:59,685 --> 00:09:59,745
Yeah.

237
00:09:59,745 --> 00:10:00,255
Oh, for sure.

238
00:10:00,255 --> 00:10:01,065
Let's, yeah.

239
00:10:01,155 --> 00:10:01,665
All right.

240
00:10:01,755 --> 00:10:05,265
As Ken mentioned at the top of
Tuesday's show, it's been an exciting

241
00:10:05,265 --> 00:10:09,599
few weeks here on Jeopardy, and
before we move on, Regular jeopardy.

242
00:10:10,079 --> 00:10:13,800
I just wanna reflect on the
second chance competition.

243
00:10:13,800 --> 00:10:18,089
Some of our biggest moments toc,
let's just, let's just revel in

244
00:10:18,089 --> 00:10:19,410
these weeks we've had on the show.

245
00:10:19,620 --> 00:10:20,250
Let's do it.

246
00:10:20,250 --> 00:10:24,839

I mean, Jessica Stevens and Roan Ward
winning the first ever second chance

247

00:10:24,839 --> 00:10:27,120
competition and getting into the toc.

248

00:10:27,449 --> 00:10:31,680
I mean, it really showed what great
players sometimes just don't make.

249

00:10:32,020 --> 00:10:34,449
And how good the competition
was leading into that.

250

00:10:34,449 --> 00:10:38,380
I mean, we had so many other
players that could have easily made

251

00:10:38,380 --> 00:10:39,849
their way into this TOC as well.

252

00:10:40,000 --> 00:10:42,449
We have fawned and fond about the toc.

253

00:10:42,449 --> 00:10:44,680
I want to talk about the great exhibition.

254

00:10:44,770 --> 00:10:47,260
Oh, another highlight
of the past few weeks.

255

00:10:47,319 --> 00:10:51,040
I mean, any chance to see our players.

256

00:10:51,095 --> 00:10:53,735
Get to play the game
without the same stakes.

257

00:10:53,765 --> 00:10:54,065

Yeah.

258

00:10:54,245 --> 00:10:57,845
And what that allowed them to
do and just bring this levity to

259

00:10:57,845 --> 00:11:00,245
the game that we hadn't been able
to see from the three of them.

260

00:11:00,395 --> 00:11:03,005
But I think also just
seeing three great players.

261

00:11:03,005 --> 00:11:08,015
So often as we saw in the toc, sometimes
the name brand player who's in that

262

00:11:08,015 --> 00:11:09,815
TOC doesn't make it to the finals.

263

00:11:09,845 --> 00:11:14,255
It made me excited for the possibility of
Jeopardy Masters because I really wanna

264

00:11:14,255 --> 00:11:18,635
see more games where we've got the people
that really, really have spent a lot of

265

00:11:18,635 --> 00:11:20,435
time on the stage know how to be success.

266

00:11:20,795 --> 00:11:22,115
Just slug it out.

267

00:11:22,295 --> 00:11:22,655
Yes.

268

00:11:22,655 --> 00:11:25,985

And those three players, Matea
ends up winning that game and they

269

00:11:25,985 --> 00:11:27,454
don't even make it to the finals.

270

00:11:27,454 --> 00:11:27,515
Yeah.

271

00:11:27,834 --> 00:11:32,555
So it just speaks so much to
anything can happen on any given

272

00:11:32,560 --> 00:11:34,564
day with these great champions.

273

00:11:34,594 --> 00:11:37,474
And when we taped that great
exhibition, we didn't know if

274

00:11:37,474 --> 00:11:38,344
they would meet in the finals.

275

00:11:38,344 --> 00:11:38,525
Totally.

276

00:11:38,525 --> 00:11:40,055
They hadn't played their semis yet.

277

00:11:40,055 --> 00:11:43,805
So for all we knew, this was just
a preview of what was to come, how

278

00:11:43,810 --> 00:11:47,224
thankful we are that we did do the
great exhibition because as it turned

279

00:11:47,229 --> 00:11:48,635
out, we didn't see them in the finals.

280

00:11:49,645 --> 00:11:50,815

It just did not disappoint.

281

00:11:50,995 --> 00:11:51,235

Yeah.

282

00:11:51,235 --> 00:11:52,285

Hard to move on from that.

283

00:11:52,285 --> 00:11:53,715

But I do also wanna talk about.

284

00:11:54,314 --> 00:11:55,275

Our dark horse.

285

00:11:55,275 --> 00:11:57,844

Yes, we can officially Katie Perry, dark Horse, Andrew.

286

00:11:57,844 --> 00:12:00,194

He that he is officially the dark horse.

287

00:12:00,224 --> 00:12:04,125

He found nine daily doubles during the finals, Lee Cow and

288

00:12:04,125 --> 00:12:07,604

went all in on all nine of them.

289

00:12:07,724 --> 00:12:11,234

You know, when we first interviewed him leading up to the toc, he

290

00:12:11,234 --> 00:12:13,905

told us, you know, he said, I'm not afraid of a big daily double.

291

00:12:13,905 --> 00:12:17,474
When you find those, it's like the
best thing that could happen to you.

292
00:12:17,535 --> 00:12:20,295
And he said, Put it all out there, man.

293
00:12:20,295 --> 00:12:21,104
Did he ? Yeah.

294
00:12:21,165 --> 00:12:21,584
Wow.

295
00:12:21,584 --> 00:12:25,125
And it just makes for such exciting
games, because, you know, whether

296
00:12:25,125 --> 00:12:29,775
it's a runaway game or not, those
big daily doubles, you know, the,

297
00:12:29,954 --> 00:12:31,594
the game feels like all of a sudden.

298
00:12:32,250 --> 00:12:34,949
All the, hes come out of the room
and you feel that watching at home.

299
00:12:35,040 --> 00:12:38,730
I and, and I'd be remiss if we
didn't talk about the fan favorite

300
00:12:38,730 --> 00:12:45,569
Sam Buty, who really won everyone's
hearts over with just his attitude.

301
00:12:45,720 --> 00:12:46,020
Yes.

302

00:12:46,020 --> 00:12:48,300
His enjoyment playing the game.

303
00:12:48,600 --> 00:12:51,810
His ability to bring
that lighthearted humor.

304
00:12:52,080 --> 00:12:56,460
Even in these most intense games
to say, oh, please have that, Ken,

305
00:12:56,460 --> 00:13:00,210
or let me, you know, he ends up
flossing for us on one of the shows.

306
00:13:00,240 --> 00:13:04,230
Yeah, I mean, you know, just his and
his knowledge, his sort of cavalier

307
00:13:04,230 --> 00:13:08,520
knowledge of extreme youth culture,
you know, with, with, you know,

308
00:13:08,550 --> 00:13:11,580
whether it was flossing finger on
the Pulse or Doja Cat or whatever.

309
00:13:11,820 --> 00:13:14,730
It wa it wasn't the fact that he
knew it was just the way that he was.

310
00:13:14,730 --> 00:13:17,760
Just, he, he was enjoying
every single moment.

311
00:13:18,330 --> 00:13:21,510
He had two very tough competitors
in the finals and that did.

312
00:13:22,470 --> 00:13:24,689

Diminish his enjoyment at all?

313

00:13:24,689 --> 00:13:25,319

Not one bit.

314

00:13:25,439 --> 00:13:25,710

Nope.

315

00:13:25,829 --> 00:13:28,260

It was so much fun to watch him play, and that's really like,

316

00:13:28,260 --> 00:13:29,460

what more could you ask for?

317

00:13:29,520 --> 00:13:32,850

And then we got to have the Amy Schneider, Andrew, he rematched

318

00:13:32,850 --> 00:13:34,740

that everyone wanted to happen.

319

00:13:34,800 --> 00:13:37,920

So it's exactly a, a, you know, a year after their first

320

00:13:37,920 --> 00:13:40,140

meeting, November 17th, 2021.

321

00:13:40,560 --> 00:13:43,440

Once again, they're on the stage facing each other.

322

00:13:43,440 --> 00:13:46,350

November 17th, 2022.

323

00:13:46,350 --> 00:13:50,250

I mean, if you wrote a movie of this, people would be like, ah, it's so cheesy.

324

00:13:50,250 --> 00:13:51,510

No, that would never happen.

325

00:13:51,630 --> 00:13:52,590

Well, we have.

326

00:13:53,069 --> 00:13:54,850

Finally move on from the toc.

327

00:13:54,855 --> 00:13:58,260

But as Michael Davies has promised,
we're gonna do this every year.

328

00:13:58,260 --> 00:14:01,740

So, you know, we used to have to wait
until we had the right amount of people.

329

00:14:01,740 --> 00:14:04,079

It'd be about every year
and a half, but no more.

330

00:14:04,140 --> 00:14:07,260

Every fall our post
season will take place.

331

00:14:07,560 --> 00:14:08,640

I said it last week.

332

00:14:08,640 --> 00:14:11,490

We're gonna have second chance
again, we're gonna have our TOC

333

00:14:11,850 --> 00:14:13,740

every fall, so you only have to wait.

334

00:14:14,265 --> 00:14:20,295

Less than a year, and we know we're gonna
be seeing one person in that toc and that

335

00:14:20,295 --> 00:14:25,845

is someone from our Tuesday's game, Chris Peno, he's back, he's an 11 day champion,

336

00:14:26,055 --> 00:14:30,615

and as we left him right before this, he had had one of his best appearances.

337

00:14:31,530 --> 00:14:32,100

To date.

338

00:14:32,160 --> 00:14:32,310

Yeah.

339

00:14:32,310 --> 00:14:35,640

He had 36 correct responses in that Friday game before we

340

00:14:35,640 --> 00:14:37,560

headed into our post-season.

341

00:14:37,800 --> 00:14:38,940

Zero incorrect.

342

00:14:39,150 --> 00:14:42,780

It was his ninth runaway and his third runaway in a row,

343

00:14:42,780 --> 00:14:44,430

and now he has to take a break.

344

00:14:44,760 --> 00:14:48,120

What would that be like for you having been a contestant, to be

345

00:14:48,125 --> 00:14:49,830

in your prime, to be in your zen?

346

00:14:50,080 --> 00:14:52,900

Zone flow, and then you've gotta take a huge break.

347

00:14:53,110 --> 00:14:53,410

Yeah.

348

00:14:53,410 --> 00:14:56,530

You know, it's interesting because sometimes there's an air break, but

349

00:14:56,530 --> 00:14:58,030

there isn't always a tape break.

350

00:14:58,030 --> 00:15:01,660

That was the case when I was first on, I taped five shows, then there

351

00:15:01,660 --> 00:15:05,620

was three weeks of other tournaments, teachers, tournaments, power players.

352

00:15:05,770 --> 00:15:09,250

But in reality, I taped my next five shows the next day.

353

00:15:09,460 --> 00:15:14,050

Chris actually had the break that we had because we didn't know how long

354

00:15:14,050 --> 00:15:15,790

the TOC was gonna go and all of that.

355

00:15:15,795 --> 00:15:16,870

I think it.

356

00:15:18,135 --> 00:15:23,085

Be very hard or it gives Chris a chance to reset it.

357

00:15:23,085 --> 00:15:25,905

It really depends on the kind of person and player you are.

358

00:15:25,905 --> 00:15:30,885

If you can take advantage of that chance to rest, it is a very draining experience.

359

00:15:30,945 --> 00:15:35,265

Um, competing game after game and also maybe learn a little bit, you

360

00:15:35,265 --> 00:15:39,585

know, he's got a little bit of time to reflect on maybe some things he wants

361

00:15:39,585 --> 00:15:44,265

to do differently or you know, how he can better use that time beforehand.

362

00:15:44,535 --> 00:15:45,465

I think we saw with these.

363

00:15:46,255 --> 00:15:48,325

Did not affect his gameplay.

364

00:15:48,395 --> 00:15:50,005

It did not as all it did not.

365

00:15:50,385 --> 00:15:56,185

he got his 12th runaway fourth in a row, and he really just dominated this game.

366

00:15:56,875 --> 00:16:00,655

One moment I have to point out that I love is pineapple and pizza.

367

00:16:00,745 --> 00:16:04,075

You know, Ken says, I wanna
resolve the controversy.

368

00:16:04,075 --> 00:16:04,945
It's delicious.

369

00:16:05,035 --> 00:16:06,085
I wanna know your thoughts.

370

00:16:06,085 --> 00:16:07,435
Buzzy pineapple and pizza.

371

00:16:07,855 --> 00:16:12,205
Well, I'm not one to yuck anybody's yum,
but I'm not ordering pineapple on a pizza.

372

00:16:12,225 --> 00:16:12,585
How?

373

00:16:13,035 --> 00:16:13,574
That's good.

374

00:16:13,635 --> 00:16:17,415
I'm one of those people, like if you have
a pizza buffet, I'll have a little bite

375

00:16:17,415 --> 00:16:21,525
of a pineapple on pizza, but I'm not going
in for like a large pepperoni pineapple.

376

00:16:21,555 --> 00:16:21,704
Yeah.

377

00:16:21,704 --> 00:16:23,745
My family likes the pineapple on pizza.

378

00:16:23,745 --> 00:16:26,324
I mean, I, I can see
how those flavors work.

379

00:16:26,505 --> 00:16:27,405

Just not my thing.

380

00:16:27,405 --> 00:16:30,004

I'm, you know, Like Chris,

I'm from New Jersey.

381

00:16:30,005 --> 00:16:31,415

We take pizza seriously.

382

00:16:31,475 --> 00:16:35,555

You know, I just remember the, the
line in, uh, inside out when, when

383

00:16:35,555 --> 00:16:38,314

they're in San Francisco and they
have the vegan broccoli pizza.

384

00:16:38,345 --> 00:16:38,584

Oh yes.

385

00:16:38,615 --> 00:16:39,574

They ruin pizza.

386

00:16:39,574 --> 00:16:41,944

First the Hawaiians and
now this not broccoli.

387

00:16:42,405 --> 00:16:42,824

Yes.

388

00:16:43,135 --> 00:16:44,025

With the anger.

389

00:16:44,204 --> 00:16:45,305

The anger emotion.

390

00:16:45,305 --> 00:16:45,515
Yes.

391
00:16:46,334 --> 00:16:48,165
One of my, uh, Halloween costumes.

392
00:16:48,165 --> 00:16:49,484
I You were, were you anger?

393
00:16:49,515 --> 00:16:50,505
No, I was sadness.

394
00:16:50,555 --> 00:16:53,444
Oh, . Uh, okay.

395
00:16:53,444 --> 00:16:56,324
But my daughter was disgusted
and she feels that way about

396
00:16:56,329 --> 00:16:57,854
broccoli or pineapple and pizza.

397
00:16:57,854 --> 00:16:58,875
So that's in character.

398
00:16:59,265 --> 00:17:02,954
One thing that's interesting about
Chris's run is that he came back as a

399
00:17:02,954 --> 00:17:07,585
champion having watched his games on
the air the first few weeks like that.

400
00:17:07,585 --> 00:17:08,264
That is interesting.

401
00:17:08,270 --> 00:17:09,254
Rarely happens.

402

00:17:09,254 --> 00:17:12,105

One reason that happened is because he taped so early in the season, right?

403

00:17:12,105 --> 00:17:13,395

So earlier in the season.

404

00:17:13,690 --> 00:17:15,190

We don't get as far ahead.

405

00:17:15,190 --> 00:17:18,880

And then of course we had to take the break to tape, second chance and toc.

406

00:17:19,180 --> 00:17:21,339

So he's home watching his games.

407

00:17:21,370 --> 00:17:24,940

He's on the streets as a, you know, 11 day champion.

408

00:17:24,940 --> 00:17:26,920

And people are recognizing him like he's having.

409

00:17:27,449 --> 00:17:31,290

All of these experiences out in the world that you don't normally get

410

00:17:31,290 --> 00:17:33,330

to have while your run is going.

411

00:17:33,330 --> 00:17:36,240

So I was really curious to see how that would mm-hmm.

412

00:17:36,570 --> 00:17:37,110

affect him.

413
00:17:37,110 --> 00:17:42,060
Obviously it didn't, but even
things like he would often bet \$221.

414
00:17:42,120 --> 00:17:42,300
Yep.

415
00:17:42,419 --> 00:17:45,750
In honor of his girlfriend's
birthday of February 21st, she saw

416
00:17:45,750 --> 00:17:51,840
the games and she wasn't even aware
of why he was betting 2 21 until

417
00:17:51,840 --> 00:17:53,100
he is talking about it on the show.

418
00:17:53,100 --> 00:17:53,810
So it's just.

419
00:17:55,030 --> 00:17:55,230
Interesting.

420
00:17:55,235 --> 00:17:56,940
The timing of it, of this run.

421
00:17:57,000 --> 00:18:01,754
Well, I think what we could say about
Chris in general, He is unaffected.

422
00:18:01,814 --> 00:18:06,375
I mean, his style of play is
just, he is just playing his game.

423
00:18:06,405 --> 00:18:07,695
He doesn't get flustered.

424

00:18:08,024 --> 00:18:12,495
You can play that kind of gambler
style, more like James Holz Tower,

425
00:18:12,495 --> 00:18:14,175
where there are these huge bets.

426
00:18:14,205 --> 00:18:14,955
There's a lot of.

427
00:18:15,595 --> 00:18:18,685
You know, I think James is a low
key guy, but he's also a wrestling

428
00:18:18,685 --> 00:18:22,325
fan and he's, there's some
theatrics in kind of constantly

429
00:18:22,330 --> 00:18:23,725
going all in and doing those bets.

430
00:18:24,085 --> 00:18:28,645
Chris is just kind of like very
contently moving along, so I

431
00:18:28,645 --> 00:18:31,435
am not surprised that spending.

432
00:18:31,505 --> 00:18:37,115
Four weeks or more, walking around
as a celebrity did not result in any

433
00:18:37,115 --> 00:18:39,575
change in his demeanor in this game.

434
00:18:39,575 --> 00:18:42,635
We had the soccer's World
Cup in the 21st century.

435

00:18:42,635 --> 00:18:45,845
Obviously, we're right in the middle of
the World Cup, and if you're wondering

436
00:18:45,845 --> 00:18:50,855
where Michael Davies is, well he's
actually on a Men and Blazers live.

437
00:18:51,150 --> 00:18:52,980
This cups for you tour.

438
00:18:53,280 --> 00:18:54,720
You can catch him around the country.

439
00:18:54,720 --> 00:18:58,020
You can't catch him on inside
Jeopardy right now, but he is big

440
00:18:58,080 --> 00:19:00,480
in the world of soccer right now.

441
00:19:00,600 --> 00:19:06,660
Uh, I did enjoy as well, uh, Ken's Bane
impersonation in the Batman Villas.

442
00:19:06,670 --> 00:19:09,310
Yeah, credit where credits due.

443
00:19:09,600 --> 00:19:11,270
Um, tough final, but.

444
00:19:11,820 --> 00:19:14,880
Not consequential for Chris,
cuz he had that runaway and

445
00:19:14,880 --> 00:19:18,270
he becomes a 12 game champion.

446
00:19:18,480 --> 00:19:18,870

Wow.

447

00:19:19,020 --> 00:19:19,470

All right.

448

00:19:19,470 --> 00:19:24,330

Let's move on to Wednesday's game
where Chris is going for his 13th win

449

00:19:24,840 --> 00:19:27,630

against Katie Rudolph and John Dorsey.

450

00:19:27,720 --> 00:19:30,690

I mean, I gotta say there's not a lot
to talk about in these games cuz it's

451

00:19:30,690 --> 00:19:32,730

sort of like, It's the Chris Show.

452

00:19:32,820 --> 00:19:35,910

I'm sorry I, you know, I would hate to
be Katie and I would hate to be John.

453

00:19:36,090 --> 00:19:38,430

John really, I think put up a good fight.

454

00:19:38,610 --> 00:19:41,400

Made a big bet in double jeopardy.

455

00:19:41,400 --> 00:19:44,970

That \$5,000 bet that would've
put yes him in the lead.

456

00:19:45,419 --> 00:19:47,100

Couldn't come up with
the correct response.

457

00:19:47,489 --> 00:19:50,310

And you know, it's, it's those

situations where we could have a

458

00:19:50,310 --> 00:19:54,090
spoiler, but you can't have a mistake
against a player like Chris Pan.

459

00:19:54,570 --> 00:19:56,790
And he comes in and is
the only one correct.

460

00:19:56,790 --> 00:20:01,050
And final jeopardy in a category,
seconds in history that we learned

461

00:20:01,054 --> 00:20:06,270
is the first seconds in history
final we've ever had on jeopardy.

462

00:20:06,270 --> 00:20:07,409
So we learned that.

463

00:20:07,409 --> 00:20:10,080
But overall, overall, that's not
gonna be confusing to understand, not.

464

00:20:10,680 --> 00:20:15,450
But looking at the stats right now,
so after 13 games, he's found 30

465

00:20:15,450 --> 00:20:17,910
of the 39 available daily doubles.

466

00:20:17,910 --> 00:20:22,890
He's responded correctly to 27 of
the 30, only three incorrect, and

467

00:20:22,895 --> 00:20:25,410
he's earned over \$90,000 just.

468

00:20:25,890 --> 00:20:30,330
On daily doubles, 22% of his
total winnings, and this puts him

469
00:20:30,330 --> 00:20:32,010
into the leader Board of Legends.

470
00:20:32,010 --> 00:20:36,570
He's now reached the status, the
leader board of legend status, so

471
00:20:36,570 --> 00:20:40,770
he's now tied with Matt Jackson
for 10th place in games one, and.

472
00:20:41,290 --> 00:20:45,010
He's jumped all the way to ninth
place, pushing Matt Jackson to 10th and

473
00:20:45,010 --> 00:20:49,780
bumping off our buddy Austin Rogers for
highest winnings in the regular season.

474
00:20:49,810 --> 00:20:54,820
I just wanna say finding 30 of 39 daily
doubles seems like, oh, well, finding

475
00:20:54,820 --> 00:20:55,929
the daily doubles is kind of random.

476
00:20:56,050 --> 00:21:00,129
When you find that many daily doubles,
that means you are in control of the game.

477
00:21:00,159 --> 00:21:00,399
Exactly.

478
00:21:00,399 --> 00:21:02,080
That's what, that's, you
know, there are games.

479

00:21:02,690 --> 00:21:04,220

It's kind of bouncing back and forth.

480

00:21:04,220 --> 00:21:08,630

One person finds one, one, you know, but if you're finding 77% of

481

00:21:08,630 --> 00:21:12,560

the daily doubles, that means you are answering way more questions.

482

00:21:12,565 --> 00:21:12,920

Correct.

483

00:21:12,920 --> 00:21:14,540

Way more consequential questions.

484

00:21:14,545 --> 00:21:14,870

Correct.

485

00:21:15,020 --> 00:21:16,340

Cuz they're probably further down the board.

486

00:21:16,400 --> 00:21:19,340

You're moving through the category that says a lot about.

487

00:21:19,845 --> 00:21:23,235

As we've said that this is, you know, the very calm, collected

488

00:21:23,235 --> 00:21:26,535

Chris Pannu show where he's just rolling through these boards.

489

00:21:27,245 --> 00:21:29,355

Interesting though, when he,

once he's gone through the daily

490

00:21:29,355 --> 00:21:31,785
doubles, he's still bouncing around.

491

00:21:31,815 --> 00:21:31,905
Yeah.

492

00:21:31,905 --> 00:21:35,175
The board and getting those high dollar amounts, but he's bouncing around and

493

00:21:35,180 --> 00:21:36,705
do you think that's to, well, yeah.

494

00:21:36,705 --> 00:21:37,965
Keep his competition off?

495

00:21:38,025 --> 00:21:39,585
Or what do you think that strategy is?

496

00:21:40,055 --> 00:21:41,885
Two elements to the forest bounce.

497

00:21:41,885 --> 00:21:45,575
I mean, some people look at it as the daily double hunting, but if that's the

498

00:21:45,575 --> 00:21:48,965
case, you don't just simply bounce around, you would go to the hot spots, right?

499

00:21:49,325 --> 00:21:52,835
So the other aspect of the forest bounce is that people get into a

500

00:21:52,835 --> 00:21:54,035
rhythm with the categories, right?

501

00:21:54,035 --> 00:21:56,855
It's like, oh, we've ruled out
this, we've ruled out this.

502

00:21:56,855 --> 00:21:57,135
You know, when.

503

00:21:57,370 --> 00:22:01,659
When you're dealing with something like
presidents or world leaders or rivers or

504

00:22:01,659 --> 00:22:03,100
whatever, oh, we already dealt with that.

505

00:22:03,250 --> 00:22:05,500
But when you're bouncing around,
it's harder to kind of stay

506

00:22:05,500 --> 00:22:07,060
in that file of your brain.

507

00:22:07,060 --> 00:22:11,739
And so it takes a lot of discipline
and a lot of preparation, I think,

508

00:22:11,739 --> 00:22:12,760
to be able to play like that.

509

00:22:12,764 --> 00:22:15,100
A lot of players have come
tried to do the bounce.

510

00:22:15,600 --> 00:22:19,199
Can't execute on it because it's a
much harder way to play and you don't

511

00:22:19,199 --> 00:22:22,710
get that experience always watching
the show if you're not watching

512

00:22:22,710 --> 00:22:23,939
someone who's playing that way.

513

00:22:24,210 --> 00:22:27,149
I like that you brought up the forest
bounce, the Chuck Forrest bounce,

514

00:22:27,149 --> 00:22:29,220
because for years Arthur Chew came along.

515

00:22:29,520 --> 00:22:29,580
Yeah.

516

00:22:29,580 --> 00:22:32,400
People thought he was revolutionizing
the game and we're like, no, no, no.

517

00:22:32,460 --> 00:22:33,389
That's the forest bounce.

518

00:22:33,389 --> 00:22:36,449
And Chuck Forrest actually said that
someone else did it before him, but.

519

00:22:37,139 --> 00:22:39,120
You know, he got the name,
he got the name right.

520

00:22:39,125 --> 00:22:43,770
We head into Thursday, Chris, going
up against Megan Burr and Taro Nara

521

00:22:43,770 --> 00:22:45,570
Simmons, the Thanksgiving game.

522

00:22:45,570 --> 00:22:49,379
And as Ken Playfully pointed out,
probably written by Sarah, that

523

00:22:49,385 --> 00:22:53,580

Chris Pannu is enjoying a plentiful harvest of earnings and wins.

524

00:22:53,669 --> 00:22:54,120

I love it.

525

00:22:54,125 --> 00:22:57,480

I love a chance to put in some Thanksgiving uh, adjectives.

526

00:22:57,540 --> 00:23:00,990

What a score Chris had at the end of the jeopardy round 16.

527

00:23:01,159 --> 00:23:01,320

Oh.

528

00:23:01,830 --> 00:23:02,400

\$200.

529

00:23:02,400 --> 00:23:06,000

That's, I think I had a runaway game once with less money than that.

530

00:23:06,060 --> 00:23:08,490

That is a very difficult amount of money to put on the

531

00:23:08,490 --> 00:23:10,500

board in that jeopardy round.

532

00:23:10,530 --> 00:23:14,490

Well, and we mentioned earlier in this podcast that Amy and Andrew

533

00:23:14,490 --> 00:23:18,330

had their matchup one year ago, but

also on Thanksgiving one year ago.

534

00:23:18,745 --> 00:23:21,325

Amy was just getting started on her big run.

535

00:23:21,415 --> 00:23:22,165

Oh yeah.

536

00:23:22,165 --> 00:23:22,445

Wow.

537

00:23:22,445 --> 00:23:22,645

Yeah.

538

00:23:22,655 --> 00:23:24,385

So it's a super champion time of year.

539

00:23:24,715 --> 00:23:25,765

Yeah, it's the harvest.

540

00:23:25,765 --> 00:23:30,355

We're bringing it all, all the jeopardy champs, bringing it harvest of champions.

541

00:23:30,385 --> 00:23:32,875

Not only did he finish with the highest score at the end of a

542

00:23:32,880 --> 00:23:36,295

jeopardy round the season, but also the highest score at the end of a

543

00:23:36,295 --> 00:23:39,175

double jeopardy round with 46,600.

544

00:23:39,325 --> 00:23:43,075

Now when Chris puts up these big scores, it's interesting because

545

00:23:43,080 --> 00:23:45,085
he's not doing the James thing of.

546

00:23:45,720 --> 00:23:46,770
All in daily doubles.

547

00:23:46,775 --> 00:23:50,460
He makes big daily double wagers,
but they're compared to his score.

548

00:23:50,460 --> 00:23:51,420
Fairly conservative.

549

00:23:51,420 --> 00:23:51,720
Yeah.

550

00:23:51,720 --> 00:23:53,590
Only 5,000 and 9,000.

551

00:23:53,595 --> 00:23:53,790
Yeah.

552

00:23:53,950 --> 00:23:56,220
I mean, you know, when you finish
the, the jeopardy around with

553

00:23:56,220 --> 00:23:59,550
\$16,205,000 wagers, nothing.

554

00:23:59,880 --> 00:24:04,500
But what is happening now is that he's
going into these final jeopardies with

555

00:24:04,500 --> 00:24:06,810
such a lead, he can make a huge wager.

556

00:24:07,695 --> 00:24:12,315

Doesn't put his win in jeopardy, but he's very good at final jeopardy and

557

00:24:12,315 --> 00:24:19,425
so he adds in this game another 25,000 to 21 and ends up with the highest

558

00:24:19,455 --> 00:24:22,755
final score of the CS in 71,821.

559

00:24:22,760 --> 00:24:26,355
So he's the highest jeopardy round, the highest double jeopardy round,

560

00:24:26,445 --> 00:24:29,025
and the highest overall game.

561

00:24:29,175 --> 00:24:33,495
That was 19,000 earned on three daily doubles.

562

00:24:33,735 --> 00:24:35,355
35 correct responses.

563

00:24:35,865 --> 00:24:36,585
Unbeliev.

564

00:24:36,900 --> 00:24:40,980
And we haven't seen a total even in that range since last season.

565

00:24:40,980 --> 00:24:43,470
Madam Mo's, highest performance at 83,000.

566

00:24:43,470 --> 00:24:47,760
So it really speaks to what level of competition Chris is at.

567

00:24:47,790 --> 00:24:50,940

And now he is all alone at
number 10 on the leaderboard of

568

00:24:50,945 --> 00:24:52,920
Legends for consecutive games.

569

00:24:52,925 --> 00:24:55,710
One, he does bump Matt
Jackson off that list.

570

00:24:56,070 --> 00:24:57,870
Andy's moving up in highest winnings.

571

00:24:57,870 --> 00:24:58,980
He's now seventh.

572

00:24:58,980 --> 00:25:02,590
All time jumping ahead of
both David Madden, who won 19

573

00:25:02,595 --> 00:25:03,720
games, so keep that in mind.

574

00:25:03,720 --> 00:25:04,350
He's now.

575

00:25:04,905 --> 00:25:08,595
Already ahead with 14 games
of a 19 game champion.

576

00:25:08,985 --> 00:25:11,865
But to be fair, yeah, I,
I gotta chime in here.

577

00:25:11,865 --> 00:25:11,925
Yeah.

578

00:25:11,925 --> 00:25:17,385
Because when Dave Madden was playing, We,

we didn't have the huge daily double play.

579

00:25:17,534 --> 00:25:20,445

You know, some people say James introduced, James certainly

580

00:25:20,475 --> 00:25:22,995

popularized the huge daily double.

581

00:25:23,024 --> 00:25:25,814

And I think in general there is a move that people have realized

582

00:25:25,814 --> 00:25:27,495

of betting more on daily double.

583

00:25:27,495 --> 00:25:32,475

So we've seen the scores, uh, rising since Dave Madden's time.

584

00:25:32,594 --> 00:25:38,754

And keep in mind David Madden played back in 2005 and he's still on this board.

585

00:25:39,175 --> 00:25:42,375

All the champions ahead of him are from the last few seasons.

586

00:25:42,375 --> 00:25:47,729

So I really think other than Ken, Other than Ken , but I think it speaks

587

00:25:47,729 --> 00:25:51,780

to just how aggressive and good his gameplay was in his time, even though

588

00:25:51,780 --> 00:25:54,419

it doesn't match up against the totals of the players we're seeing now.

589
00:25:54,510 --> 00:25:54,750
Yeah.

590
00:25:54,750 --> 00:25:57,959
And when Ken asked, uh, what
Chris's secret to success was

591
00:25:57,959 --> 00:26:01,050
after this game, he responded,
who knows, I'm gonna PO something.

592
00:26:01,080 --> 00:26:01,889
He's from New Jersey.

593
00:26:01,889 --> 00:26:02,520
We're winners.

594
00:26:02,740 --> 00:26:03,429
There you go.

595
00:26:03,459 --> 00:26:04,899
Let's take it that way.

596
00:26:04,899 --> 00:26:08,020
And his competitor, Megan, she
said, I'm just happy to be here.

597
00:26:08,110 --> 00:26:11,649
And something does happen
to the challengers when we

598
00:26:11,655 --> 00:26:12,699
get into these big runs.

599
00:26:12,699 --> 00:26:12,879
Oh yeah.

600
00:26:12,885 --> 00:26:16,959

People, they're just excited to have played against a super champion.

601

00:26:16,959 --> 00:26:17,139
Totally.

602

00:26:17,145 --> 00:26:20,110
They're like, I get to
say I was pannu load.

603

00:26:20,260 --> 00:26:20,560
Yeah.

604

00:26:20,560 --> 00:26:20,919
And it's

605

00:26:24,070 --> 00:26:24,830
uh, I.

606

00:26:25,485 --> 00:26:28,425
I promise you, no matter what happens
in my life, I will never say I was pan.

607

00:26:28,754 --> 00:26:30,254
However, never.

608

00:26:30,554 --> 00:26:31,034
However.

609

00:26:31,064 --> 00:26:33,784
Well, because you weren't, because
you didn't get beat by this even.

610

00:26:33,784 --> 00:26:35,895
Even if I played Chris Pannu, I
don't think I would wanna say I

611

00:26:35,895 --> 00:26:37,064
was pannu, but that's just me.

612

00:26:37,064 --> 00:26:38,534
But again, it's a hair shirts.

613

00:26:38,534 --> 00:26:39,254
Lily did shirts.

614

00:26:39,254 --> 00:26:41,115
I know she did shirt, ss, amod.

615

00:26:41,470 --> 00:26:41,960
Okay.

616

00:26:41,965 --> 00:26:45,389
But I, what I, what I wanna say is,
it's also a mindset thing where you

617

00:26:45,389 --> 00:26:48,210
feel when you, especially when you
see someone having these runaway

618

00:26:48,210 --> 00:26:51,870
games, these big totals, you feel
like it's a foregone conclusion.

619

00:26:51,870 --> 00:26:55,620
And really what it takes is someone
who comes into the game and says,

620

00:26:55,800 --> 00:26:57,270
I, I, I, none of that matters.

621

00:26:57,270 --> 00:26:58,800
Every game is its own game.

622

00:26:59,189 --> 00:27:02,939
I can beat this person and there are
no undefeated champions at this point.

623

00:27:02,939 --> 00:27:06,840

There are no undefeated champions on planet earth of jeopardy at this time.

624

00:27:06,840 --> 00:27:10,200

Eventually everyone loses you make, they make you play until you're a loser.

625

00:27:10,200 --> 00:27:10,740

I like to say.

626

00:27:10,740 --> 00:27:10,800

Yeah.

627

00:27:11,070 --> 00:27:14,070

And you know, look, I mean, going back to James, we're comparing him

628

00:27:14,070 --> 00:27:15,450

so much to James, also a gambler.

629

00:27:15,780 --> 00:27:18,360

Emma Becher, when she came out, she had done her homework.

630

00:27:18,365 --> 00:27:21,395

She knew how to play the game and she was just, I came here to win.

631

00:27:21,395 --> 00:27:23,255

I didn't come here to be Holtz Howard, you know?

632

00:27:23,345 --> 00:27:23,465

No.

633

00:27:23,795 --> 00:27:26,885

Um, and it's gonna take someone who, who has that mindset.

634

00:27:27,095 --> 00:27:30,095

Not that these people are not very smart, not that on a different day

635

00:27:30,095 --> 00:27:31,655

they couldn't win our second chance.

636

00:27:31,660 --> 00:27:34,055

Competition has proved that to be true.

637

00:27:34,145 --> 00:27:38,165

However, to, to take it, sometimes you need that little ah, the tiger.

638

00:27:38,760 --> 00:27:39,330

I hear you.

639

00:27:39,450 --> 00:27:39,810

All right.

640

00:27:39,810 --> 00:27:41,160

We head into Friday's game.

641

00:27:41,580 --> 00:27:47,010

Chris's last matchup of the week against Sam Papu and Holly Smith,

642

00:27:47,340 --> 00:27:49,170

another runaway for Powell.

643

00:27:49,170 --> 00:27:51,450

Chris, 13 out of 15.

644

00:27:51,450 --> 00:27:53,970

I wanna ask Chris those stats, what's he running from?

645

00:27:53,970 --> 00:27:54,930
What are you running from Chris?

646
00:27:54,935 --> 00:27:57,390
Let's do like a little, I feel like
I'm, uh, you know, Frazier here.

647
00:27:57,390 --> 00:27:59,160
Let's do a little like on air therapy.

648
00:27:59,970 --> 00:28:00,750
What are you running from?

649
00:28:00,990 --> 00:28:04,770
Uh, he's certainly running away from the
competition because he is crushing it.

650
00:28:04,800 --> 00:28:05,040
Yeah.

651
00:28:05,040 --> 00:28:08,910
He starts the jeopardy round with a daily
double, which, you know, he probably

652
00:28:08,915 --> 00:28:12,120
doesn't wanna find it right off the bat
cuz he can only wage up to a thousand.

653
00:28:12,450 --> 00:28:18,210
But then he goes on to get 16 more
correct responses in a row and

654
00:28:18,210 --> 00:28:19,740
maintain the lead double jeopardy.

655
00:28:19,740 --> 00:28:23,760
He has another 17 correct responses
and a 3000 daily double to.

656

00:28:25,080 --> 00:28:30,780
Another runaway, another runaway victory,
and he ran the R flag means category.

657
00:28:31,050 --> 00:28:31,410
I know.

658
00:28:31,410 --> 00:28:34,080
And there aren't many chances for
Chris to run a category because

659
00:28:34,080 --> 00:28:35,430
he's jumping around so much.

660
00:28:35,430 --> 00:28:35,790
That's right.

661
00:28:36,000 --> 00:28:38,129
We don't actually have those
opportunities to call him out for

662
00:28:38,129 --> 00:28:40,080
running a category, but this one he does.

663
00:28:40,200 --> 00:28:42,830
He got tired, you know, he's just like,
you know, I'm gonna change it up , you

664
00:28:42,830 --> 00:28:44,430
know, I'm gonna play left-handed today.

665
00:28:44,550 --> 00:28:45,210
There you go.

666
00:28:45,629 --> 00:28:47,610
34 correct responses in the game.

667
00:28:47,610 --> 00:28:50,070
He breaks the half million dollar Bravo.

668

00:28:50,930 --> 00:28:54,140
Half a million dollars on your
new day job playing Jeopardy.

669

00:28:54,440 --> 00:28:54,920
Unbelievable.

670

00:28:54,920 --> 00:29:00,337
Still in 10th place for consecutive wins,
but just one win away now from tying Ryan

671

00:29:00,337 --> 00:29:04,160
Long from last season and he is still
in seventh place with total winnings,

672

00:29:04,160 --> 00:29:06,110
but he's creeping up to a champion.

673

00:29:06,110 --> 00:29:10,070
You may remember from a few
seasons ago, Jason Zari.

674

00:29:10,100 --> 00:29:13,580
So who appeared in a, an amazingly
hosted tournament of champions.

675

00:29:13,580 --> 00:29:14,540
I forget who did that.

676

00:29:14,570 --> 00:29:14,810
Oh gosh.

677

00:29:14,810 --> 00:29:15,230
Who did that?

678

00:29:15,350 --> 00:29:19,640
Boone . Um, Chris, in
his postgame chat, he.

679

00:29:20,065 --> 00:29:22,675

Still not relaxed, which I think.

680

00:29:23,520 --> 00:29:25,080

Very honest and very true.

681

00:29:25,140 --> 00:29:29,220

Um, you know, Amy Schneider is probably the only person who I've heard say that

682

00:29:29,220 --> 00:29:31,020

she just gets up there and does her thing.

683

00:29:31,200 --> 00:29:34,410

Everyone else you talk to, even Ken, it's like every time you get up there,

684

00:29:34,470 --> 00:29:35,940

you're on the edge of your seat.

685

00:29:35,940 --> 00:29:40,050

So, um, every game just as stressful as the last for Chris, but he is not

686

00:29:40,050 --> 00:29:41,160

breaking a sweat in spite of that.

687

00:29:41,660 --> 00:29:46,310

Well, I did have a chance to catch up with him after this 15th win, after a,

688

00:29:46,520 --> 00:29:50,390

you know, pretty good week at the office, if you will, at the Jeopardy office.

689

00:29:50,540 --> 00:29:51,920

Uh, let's see here what he had to say.

690

00:29:52,430 --> 00:29:55,250
Chris Pannu 15 Game Champion.

691

00:29:55,250 --> 00:29:56,300
How does that sound?

692

00:29:56,540 --> 00:29:57,710
Uh, unbelievable.

693

00:29:57,830 --> 00:30:01,180
Um, you know, the first
win was basically the goal.

694

00:30:01,420 --> 00:30:02,100
I just wanted to come.

695

00:30:02,570 --> 00:30:06,240
I quit myself, well play well
and then win a game hopefully.

696

00:30:06,510 --> 00:30:10,770
And then 14 more wins is just truly
something I had not comprehended.

697

00:30:10,920 --> 00:30:12,360
So I, I don't know what to think.

698

00:30:12,360 --> 00:30:13,170
I don't know what to say.

699

00:30:13,890 --> 00:30:17,460
Well, we started out this week, you
know, with our Tournament of Champions,

700

00:30:17,670 --> 00:30:22,200
not knowing that we would be ending
the week with you continuing your run.

701

00:30:22,230 --> 00:30:24,780
You had a nice break five weeks off.

702
00:30:25,140 --> 00:30:29,220
Uh, how was that to, to play so well
for so many days and then take a.

703
00:30:30,180 --> 00:30:33,780
It was, it was a little strange just
because I had to go back to work and not

704
00:30:33,780 --> 00:30:38,160
tell anybody and do all of my work while
half of my mind was still on jeopardy.

705
00:30:38,160 --> 00:30:42,060
And just trying to keep those two
separate and do a good job at work

706
00:30:42,060 --> 00:30:46,440
and like keep, like studying for
Jeopardy and, and knowing that I had

707
00:30:46,440 --> 00:30:50,190
to come back was, was a very strange
life to live for for those few weeks.

708
00:30:50,610 --> 00:30:52,710
Let's talk about the
leaderboard of Legends.

709
00:30:52,770 --> 00:30:55,590
You know, we started this week,
you weren't on it, now you're

710
00:30:55,590 --> 00:30:57,330
on it in two different categor.

711
00:30:57,705 --> 00:31:01,575
First of all, 10th for

most consecutive wins ever.

712

00:31:01,755 --> 00:31:04,575

I mean, I guess 10th is really good.

713

00:31:04,575 --> 00:31:09,135

I , I don't know what the, what I mean, even two wins would get me, but

714

00:31:09,135 --> 00:31:10,275

I would've been thrilled with two.

715

00:31:10,275 --> 00:31:13,035

I would've been thrilled with one and just like winning this many

716

00:31:13,035 --> 00:31:14,805

games, it's, it's truly unbelievable.

717

00:31:15,345 --> 00:31:16,815

And then we have to talk about the money.

718

00:31:16,845 --> 00:31:20,505

Obviously you've earned over a half a million dollars, which puts you

719

00:31:20,505 --> 00:31:22,245

seventh on the leaderboard of legends.

720

00:31:22,245 --> 00:31:25,515

That means only six other players in regular season have

721

00:31:25,520 --> 00:31:27,075

earned more money than you.

722

00:31:27,375 --> 00:31:27,555

Yeah.

723

00:31:27,560 --> 00:31:30,435

And the people above me on that
list and and on the other list are

724

00:31:30,440 --> 00:31:32,325

just incredible, incredible players.

725

00:31:32,325 --> 00:31:36,045

So to be like even to read
that list is, is impressive.

726

00:31:36,045 --> 00:31:36,945

And to be on that list.

727

00:31:37,650 --> 00:31:39,120

Is just, you know, a dream come true.

728

00:31:39,390 --> 00:31:41,880

All right, I have to
ask one before a game.

729

00:31:41,880 --> 00:31:45,780

I often see, even during a game,
you're kind of bouncing around, kind

730

00:31:45,780 --> 00:31:46,860

of, kind of getting in the zone.

731

00:31:46,860 --> 00:31:47,670

What's that about?

732

00:31:47,880 --> 00:31:48,870

Just trying to stay loose.

733

00:31:48,870 --> 00:31:50,520

Cuz during the game I'm so tight.

734

00:31:50,520 --> 00:31:51,780

Just like really.

735

00:31:52,139 --> 00:31:54,090

Like trying to get on on the answer first.

736

00:31:54,090 --> 00:31:57,540

And I don't wanna be so tight
that it's affecting my, you

737

00:31:57,540 --> 00:31:58,919

know, either my body or my mind.

738

00:31:58,919 --> 00:32:01,800

So just like trying to stay
as loose as possible given the

739

00:32:02,010 --> 00:32:03,659

pressure packed circumstances.

740

00:32:04,139 --> 00:32:06,240

And then I have to ask
about the thumbs up.

741

00:32:06,240 --> 00:32:09,990

You know, we start every game, you give
us a good thumbs up, what's behind that?

742

00:32:10,199 --> 00:32:13,570

That's just something I do naturally,
like, It's just, you know, my reaction

743

00:32:13,570 --> 00:32:16,240

if someone says something instead of
saying, okay, I'll give a thumbs up.

744

00:32:16,240 --> 00:32:18,190

I do it, I work all the time on Zoom.

745

00:32:18,190 --> 00:32:21,550

I do it at home, I do it with family
and just felt natural to do it.

746

00:32:21,550 --> 00:32:25,210

And um, sort of, you know, yeah,
it's a habit of mine in real life.

747

00:32:25,210 --> 00:32:26,379

And it's carried over here, I guess.

748

00:32:26,649 --> 00:32:30,850

Well, I am giving you two thumbs up for
an incredible week, an incredible run.

749

00:32:31,090 --> 00:32:33,490

Enjoy your weekend and we'll
see you back here on Monday.

750

00:32:33,670 --> 00:32:38,100

Thank you so, All right, and that
wraps up another exciting week of

751

00:32:38,100 --> 00:32:43,860

games, a TOC final in four regular
shows with a super champion Chris Pan.

752

00:32:44,160 --> 00:32:45,899

Four more runaway games.

753

00:32:45,899 --> 00:32:47,129

So, wow.

754

00:32:47,340 --> 00:32:49,770

Let's move on to our viewer questions.

755

00:32:54,780 --> 00:32:58,889

We have a question from Reddit this time
for those in the know how were the, to.

756

00:32:59,335 --> 00:33:01,715
Finals podium positions determined.

757
00:33:01,915 --> 00:33:04,555
I was surprised they didn't change
to move the winning player from the

758
00:33:04,555 --> 00:33:06,445
previous game to the left podium.

759
00:33:06,445 --> 00:33:08,545
So they would start with
control of the board.

760
00:33:08,695 --> 00:33:10,115
Was it the same in the GO tournament?

761
00:33:10,980 --> 00:33:14,820
Well, thank you for that question
and I'm the person in the know today,

762
00:33:14,820 --> 00:33:16,500
so I'm happy to share what I know.

763
00:33:16,500 --> 00:33:20,760
And that is for the toc, the podium
position was determined by total

764
00:33:20,765 --> 00:33:26,010
games one, so Amy in position one,
you know, having secured 40 plus even

765
00:33:26,015 --> 00:33:27,510
not even playing in a quarter final.

766
00:33:27,720 --> 00:33:30,870
Obviously Andrew, he a five
game champion coming in.

767

00:33:31,260 --> 00:33:33,720
Also had to win his
quarter file and his semi.

768
00:33:33,720 --> 00:33:37,740
And then we have Sam Buttrey,
who as a professor's champion.

769
00:33:37,935 --> 00:33:42,284
One could argue he won ostensibly
three games, but you have the

770
00:33:42,284 --> 00:33:43,845
two day total point of fair.

771
00:33:43,845 --> 00:33:45,195
So maybe four.

772
00:33:45,195 --> 00:33:46,065
Maybe four.

773
00:33:46,304 --> 00:33:49,335
Obviously, he wins his semi
and his quarter final, so he

774
00:33:49,335 --> 00:33:50,715
ends up in the position three.

775
00:33:50,895 --> 00:33:54,465
But we don't want anyone to have an
unfair advantage in terms of selecting

776
00:33:54,465 --> 00:33:55,895
that first clue in the jeopardy round.

777
00:33:56,125 --> 00:33:59,125
Perhaps getting the daily
double or, you know, whatever,

778

00:33:59,125 --> 00:34:00,595
whatever your choice may be.

779
00:34:00,835 --> 00:34:04,255
So for that, we do a random
draw before each game.

780
00:34:04,465 --> 00:34:07,825
Sometimes we have ping pong
balls, different different types

781
00:34:07,825 --> 00:34:09,864
of objects, uh, cards, coins.

782
00:34:09,864 --> 00:34:11,784
But basically there's a one.

783
00:34:11,995 --> 00:34:15,294
Two and three, whoever selects one,
they get to select first in the game.

784
00:34:15,774 --> 00:34:19,584
We don't move their podium positions
because we try to keep it consistent

785
00:34:19,734 --> 00:34:23,754
in the finals, especially in this style
and the goat style, so that as you're

786
00:34:23,754 --> 00:34:25,794
tuning in each night, you're familiar.

787
00:34:25,794 --> 00:34:27,024
These are the same three people.

788
00:34:27,024 --> 00:34:29,814
They're in the same positions and
then below them, we put those check

789

00:34:29,819 --> 00:34:33,654
marks to identify how many games
they have won up until that point.

790
00:34:33,654 --> 00:34:37,194
So just like in goat, we didn't move
their positions throughout the games

791
00:34:37,225 --> 00:34:39,084
and um, it was randomly selected.

792
00:34:39,300 --> 00:34:41,070
Who would pick first within each game?

793
00:34:41,190 --> 00:34:41,400
Yeah.

794
00:34:41,400 --> 00:34:42,300
And in all stars.

795
00:34:42,300 --> 00:34:44,280
We also random, there was some randomness.

796
00:34:44,280 --> 00:34:47,040
I remember a coffee can
with uh, ping pong balls.

797
00:34:47,070 --> 00:34:47,880
Yeah, ping pong balls.

798
00:34:47,880 --> 00:34:48,000
Yeah.

799
00:34:48,000 --> 00:34:50,340
We like to change up our props,
but the process is the same.

800
00:34:51,480 --> 00:34:51,870
. All right.

801

00:34:51,870 --> 00:34:57,030

Chris asks, in some games, time runs out and all of the clues are not uncovered.

802

00:34:57,240 --> 00:35:00,810

Has it ever happened that a daily double is not uncovered or do they

803

00:35:00,810 --> 00:35:04,050

keep going until they are found and edit for time savings else?

804

00:35:04,860 --> 00:35:06,390

So great question Chris.

805

00:35:06,420 --> 00:35:09,000

Basically, we always are trying to get through all the clues.

806

00:35:09,030 --> 00:35:11,580

Obviously that is the goal and we always wanna get through

807

00:35:11,610 --> 00:35:13,290

every daily double as well.

808

00:35:13,590 --> 00:35:16,680

Now, what happens near the end of the game after we've called less than a

809

00:35:16,680 --> 00:35:21,810

minute, we can not play a daily double as long as it's not the last clue in

810

00:35:21,815 --> 00:35:25,500

the round because obviously whoever responded correctly did the clue right

811

00:35:25,500 --> 00:35:27,720
before the last clue would get that daily.

812
00:35:28,065 --> 00:35:31,605
So for any reason we didn't reveal it,
it would be a disadvantage to them.

813
00:35:31,665 --> 00:35:37,425
But we can call time's up before
multiple clues are revealed, and one

814
00:35:37,425 --> 00:35:38,955
of those may be the daily double.

815
00:35:39,225 --> 00:35:42,225
But we do try to avoid that at
all cost because we know how

816
00:35:42,225 --> 00:35:43,455
important those are to the game.

817
00:35:43,845 --> 00:35:47,565
We avoid not playing all clues as
much as possible as well, because

818
00:35:47,565 --> 00:35:50,745
we know how important every clue
is, not only to our contest.

819
00:35:51,600 --> 00:35:55,200
On the Alex direct stage, but to you
at home who are playing along, and you

820
00:35:55,200 --> 00:35:56,730
wanna see every one of those clues.

821
00:35:56,730 --> 00:36:00,029
So it's always, the goal doesn't
always happen, but certainly

822

00:36:00,240 --> 00:36:01,649
hope that answers your question.

823

00:36:02,160 --> 00:36:02,580
All right.

824

00:36:02,580 --> 00:36:03,990
Thank you for these questions.

returning champion New Jersey zone.

00:36:19,695 --> 00:36:20,115
Chris Pan?

830

00:36:20,445 --> 00:36:20,835
Yes.

831

00:36:20,835 --> 00:36:22,935
Let's see if he can continue his streak.

832

00:36:22,940 --> 00:36:27,195
Will he make it Through the week, we
